## Profile

Software Engineer, passionate about Flutter Development & UI/UX Design (Mobile/Web Design) with an interest in back-end development. I create successful mobile apps(iOS & Android) and responsive websites that are fast, easy to use, and built with best practices. The main area of my expertise is front-end development using Flutter, Dart, Firebase, HTML, CSS, JS, building small, medium and large software applications, features, animations, and coding interactive layouts.

## Education

Secondary Education	Jan 2014 – Oct 2016
Ndeke Secondary School, Kitwe
